

MATEEFF BROTHERS,

STARA-ZAGORA, BULGARIA.

The firm originally was established in 1836 by the father of its present members, who at that period was vine grower, wine and alcohol producer. The firm continued its operations until the death of the founder—our father, in 1863. During the year 1877 we have recommenced the

Manufacture of Wine Products,

amongst which at first were wine distillation under the title of "Wine Cognac," various fruit liqueurs, etc., etc., for which we have been
